

WATER MAIN FLUSHING NOTICE

Each year, New York American Water flushes the water mains in its distribution system. This essential part of our system maintenance program helps us to provide you with high-quality water service. When crews are in the area, customers may experience a drop in water pressure or discolored water. If this happens, simply let your water run until it is clear. Customers are also encouraged to check for discolored water before doing laundry. Any changes due to weather will be posted on our website at newyorkamwater.com (on the home page, click on Alerts Notifications).

NOTE: In observance of Veterans Day, there will be no flushing on Nov. 12.

2018 Fall Flushing Schedule

Flushing hours: Monday-Friday, 8 a.m. to 4 p.m.

| Community | Start Date | End Date |
|-----------------|------------|-------------|
| North Woodmere | October 15 | October 24 |
