### REPORTS

Police – Further discussions occurred in regards to the intersection located at the corner of Rockaway Turnpike and Central Avenue. The Board has asked the Village Administrator Smollett to obtain MV-104 reports for the past three years from Nassau County police Department. It was suggested by Trustee Oliner that these reports be reviewed and analyzed by an independent traffic consultant.

A Police chase occurred in the Village on Tuesday, March 9, 2010. The individual driving the stolen vehicle was apprehended. Damage to property was reported.

Fire –Trustee Fragin reported that the Fire report of the Lawrence Cedarhurst Fire Department for the month of February is on file in Village Hall for inspection.

Trustee Fragin asked Administrator Smollett to contact the MTA to look into the location of the bus stop on Central/878/Doughty, which at present, is in a hazardous location. He also requested that Administrator Smollett notify the county of the out-of-sequence lights at that intersection as well.

Trustee Fragin was informed that emergency vehicles are having a difficult time locating addresses of properties on Lawrence Avenue due to the out-of-sequence numbering. The Board suggested that the Village of Lawrence contact the residents of Lawrence Avenue to find out how they would feel about having their addresses changed.

Finance – Trustee Mael reported that the Finance report for the month of February is on file in Village Hall for inspection. Upon motion by Trustee Mael, seconded by Trustee Oliner and unanimously carried, to authorize payment of Payroll Abstract #s 2258-2259, General Fund Abstract # 581, excluding invoice # G0444, and Trust Fund Abstract # 221 were approved.

Upon motion by Deputy Mayor, seconded by Mayor Felder and carried 4 to 1 (Trustee Mael) for the payment of invoice # G0444 subject to final approval by the Mayor and Administrator Smollett.

Public Works – Deputy Mayor Oliner announced that the Public Works report is on file in Village Hall for inspection. Deputy Mayor Oliner commended the Highway Department and Administrator Smollett for an excellent job done on the removal of snow. Deputy Mayor Oliner suggested that we meet with the county to discuss an agreement that would permit us to maintain County Roads located in the Village.

Trustee Mael complimented administration for their plowing as well as their post cleanup.

Recreation – Trustee Klar reported on the activities of the recreation facility: the report is on file in Village Hall for inspection. Trustee Klar informed the Board that the catering license for Mauzone Gourmet Catering expired on February 28, 2010. Frank Argento confirmed that at the present moment, there is only one kosher catering company under licensed agreement, Chap-A-Nosh. The catering committee has a tentative meeting scheduled for Sunday, March 14, 2010 to make a recommendation.

Water Pollution Control Facility – No report. The water pollution project is moving forward and biweekly meetings are still being held.

Sanitation – Trustee Klar reported that Administrator Smollett met with the Superintendent and Deputy Superintendent of Sanitation. Mrs. Kevelson expressed concern over delayed pick-up of recyclables. Frank Argento, Chairman of Sanitation, informed the Board, as well as concerned members of the audience, that the problem is under review. Mr. Argento also recommended that the Reverse 911 incorporate sanitation snow emergency notifications.

NCOEM – Administrator Smollett spoke with Nassau County Office of Emergency Management. They will be contacting the Nassau County Police Department to review the re-routing of the evacuation route. Administrator Smollett hopes to have an answer within the next two weeks.

Item 7 – Jewish Community Center Request

Board Action: The Jewish Community center requested that Frost Lane, between

Central Avenue and Broadway, along with the municipal parking lot be closed on April 20, 2010 between 3 p.m. and 10 p.m. for the Israeli Independence Day Fair. Upon motion by Deputy Mayor Oliner, seconded by Trustee Klar and unanimously carried, approval was granted subject to the receipt of a properly signed application by the JCC and approval by the Nassau County Police Department.

Mayor Felder announced the agenda was complete and asked if anyone wished to be heard.

Trustee Mael requested that Mike Ryder review the building permit fee structure used by the Village for solar power installation. He also asked that Mr. Ryder call neighboring villages and towns to determine if our fees are excessive.

Ronald Goldman requested that the Board take under consideration the proposal of the Trustees to televise the Board meetings.

Trustee Fragin wanted to clarify that the Library is attempting to resolve issues of covenants that are on the property the Peninsula Public Library wants to acquire.

Ms. Lepelstat thanked Trustee Fragin for expediting the delivery of the Title Documents. She informed the Board that after review, it was determined that the library has no legal relationship to the land, and therefore, they have to right to request that the LIRR lift the covenant.

Frank Argento thanked the Board for approving the bid for the Golf Course work.

Upon motion by Trustee Fragin, seconded by Trustee Klar and unanimously carried, the Board moved into executive session at 10:10 p.m. to discuss pending litigation and to receive legal advice from counsel.

The Board returned to public session and the meeting was adjourned at 10:15 p.m.

This is to certify that I, David E. Smollett, have read the foregoing minutes and the same are in all respects a full and correct record of such proceedings.
